

FROM BUTTERBOX GOLD 2026

GOLD COURSE • SILVER COURSE • NIPPER COURSE

Vaikobi
OCEAN PERFORMANCE

"Reminiscent of the famous Ironman race on the Gold Coast, there is something for everybody, club members, surf sports participants, and ocean athletes. The format has a great deal to offer surf club and lifesaving participants with the team option giving the flexibility of selecting your favourite chosen discipline to complete as part of a crew.

The course design is genius, with ample to challenge even the finest of ocean athletes in a variety of terrains. The run legs alone covers soft sand, hard sand and hills; the board leg has some changing chop and wave angles over the Butterbox reef formations; the surf, currents navigation and open ocean conditions make for a solid swim leg: and on the ski, mixed swell directions and tricky reflections around the Dee Why / Curl Curl headland. The anticipation for BBG 2026 is already building..."

- Ariki, 2025 Butterbox Gold Champ

"Family is still buzzing from doing the race together!"

"Inspiring ordinary people to push their limits..."
